

28 April 2023

Dear Shareholder,

Annual General Meeting

I am very pleased to invite you to take part in the Annual General Meeting (“**AGM**”) of the Artisanal Spirits Company plc (the “**Company**”), which will be held at 65 Gresham Street, London EC2V 7NQ on Wednesday 24 May 2023 at 9:00am. To be as efficient as possible and given the geographical spread of our members, the meeting is taking place virtually. Details on how to join virtually are included on page 5 of the enclosed notice.

At the AGM, there will be a full Q&A session on all matters tabled before we move to the voting of the proposed resolutions. The resolutions are contained on pages 2 to 4 of the enclosed notice and explained on pages 10 and 11.

There are several ways in which you may vote. You may log in to www.signalshares.com and follow the instructions given, you may request a paper proxy form which you can send back to the registrars, or if you are a member of CREST you can vote using the CREST electronic proxy appointment service. Shareholders will not be able to vote in real time at the AGM and are therefore encouraged to submit their votes either online, by paper proxy form or, if they are a member of CREST, using the CREST electronic proxy appointment service in advance of the AGM. Further details are provided on pages 6, 7 and 8 of the enclosed notice.

The Directors of the Company (the “**Directors**” or the “**Board**”) consider that all the proposals to be considered at the AGM are in the best interests of the Company and its shareholders as a whole. The Directors unanimously recommend that you vote in favour of all the proposed resolutions as they intend to do in respect of their own beneficial holdings.

In January 2023 several changes were made to the Board. David Ridley stepped down as Managing Director of the Company following six years with the Group in that role, during which time the business delivered sustained revenue growth and, in 2021, shares in the Company were successfully admitted to AIM under his stewardship. Andrew Dane, formerly Finance Director, was appointed as Chief Executive Officer. Andrew is charged with driving the next phase of growth in line with the Company's stated strategy which continues to serve the Group well. Billy McCarter, formerly Group Financial Controller, was appointed as Interim Finance Director and the Board has initiated a search process, comprising both internal and external candidates, to identify a long-term CFO.

As is normal practice, one third of the Board will stand down at this and at each subsequent AGM and (if appropriate) stand for re-election, on rotation. This is normal good practice for a company quoted on AIM, a market operated by the London Stock Exchange.

The AGM is an important opportunity for shareholders to express their views by asking questions on any topic relevant to our business and the resolutions. You will be able to ask questions once logged into the meeting using the online chat function or alternatively details on how to submit questions in advance are included on pages 2 and 8 of the enclosed notice.

The Company's Annual Report and Accounts for 2022 are available to view or download on the Company's website at www.artisanal-spirits.com.

The results of the voting on all resolutions will be announced via the London Stock Exchange's Regulatory News Service and published on our website at www.artisanal-spirits.com as soon as practicable following the conclusion of the AGM.

Yours sincerely

Voting and appointment of proxies

6. You can vote:

- by logging on to www.signalshares.com by 9:00 a.m. on 19 May 2023 and following the instructions;
- by submitting a hard copy proxy form. You may request a hard copy form of proxy directly from the registrars, Link Group, at shareholderenquiries@linkgroup.co.uk or on Tel: 0371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09.00 – 17.30, Monday to Friday excluding public holidays in England and Wales. In order for a proxy appointment to be valid, the completed

form of proxy must be received by Link Group, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL by 9:00 a.m. on 19 May 2023.

- in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below.

All shareholders are encouraged to appoint the Chair of the meeting as their proxy rather than a named person.

Shareholders will not be able to vote in real time at the AGM and are therefore encouraged to submit their votes either online, by paper proxy form or, if they are a member of CREST, using the CREST electronic proxy appointment service in advance of the AGM.

Voting on all resolutions will be conducted by way of a poll. This is a more transparent method of voting as shareholders' votes are counted according to the number of shares registered in their names.

As soon as practicable following the meeting, the results of the voting will be announced via a regulatory information service and posted on the Company's website.

Appointment of proxies through CREST

7. CREST members who wish to appoint a proxy or proxies through the CREST proxy appointment service may do so for the AGM (and any adjournment thereof) by following the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members (and those CREST members who have appointed a voting service provider) should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & International Limited's ("Euroclear") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message (regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by Link Group, RA10 by 9.00 a.m. on 19 May 2023. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Link Group is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members (and, where applicable, their CREST sponsors or voting service providers) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions.

It is the responsibility of the CREST member concerned to take (or if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting service providers) are referred, in

particular, to those sections of the CREST Manual (available at www.euroclear.com) concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).

Unless otherwise indicated on the Form of Proxy, CREST voting or any other electronic voting channel instruction, the proxy will vote as they think fit or, at their discretion, withhold from voting.

Appointment of proxy by joint members

8. In the case of joint holders, where more than one of the joint holders completes a proxy appointment, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Changing proxy instructions

9. Shareholders may change proxy instructions by submitting a new proxy appointment. Note that the cut-off time for receipt of proxy appointments also applies in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.

If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Termination of proxy appointment

10. A shareholder may terminate a proxy instruction, but to do so you will need to inform the Company in writing by sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to Link Group, 10th Floor, Central Square, 29 Wellington Street, Leeds, LS1 4DL. In the case of a shareholder which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice. The revocation notice must be received by Link Group no later than 9:00 a.m. on 19 May 2023.

Corporate representatives

11. A corporation that is a shareholder can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a shareholder provided that they do not do so in relation to the same shares.

Issued shares and total voting rights

12. As at 9:00 a.m. on 27 April 2023 (the latest practicable date before publication of this notice), the Company's issued share capital consists of 69,779,774 ordinary shares of 0.25p each. Each ordinary share

carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at 9:00 a.m. on 27 April 2023 is 69,779,774.

Questions at the meeting

13. We will be offering shareholders the opportunity to submit questions in advance of the meeting by submitting questions by email to agm@artisanal-spirits.com. Questions may also be posed during the meeting via the online chat function.

Any shareholder electronically joining the meeting has the right to ask questions. If multiple questions on the same topic are received in advance, the Chair may choose to provide a single answer to address shareholder queries on the same topic.

The Company must answer any question you ask relating to the business being dealt with at the meeting unless:

- Answering the question would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information.
- The answer has already been given on a website in the form of an answer to a question.
- It is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Personal Data

14. The Company may process personal data of attendees at the meeting. This may include webcasts, photos, recordings and audio and video links, as well as other forms of personal data, including your name, contact details and the votes you cast. The Company shall process such personal data in accordance with its privacy policy, which can be found at www.artisanal-spirits.com.

Explanation of resolutions

An explanation of each of the resolutions is set out below.

Ordinary Resolutions

Resolution 1: Receipt of annual report and accounts

The Directors must present the Company's annual report and accounts to the AGM.

Resolution 2: Directors' remuneration

Shareholders have an opportunity to cast an advisory vote to approve the Directors' Remuneration Report for the year ended 31 December 2022. The report is set out in full in the Annual Report and Accounts.

Resolutions 3-5: Re-election of Directors

One third of the Directors will retire at each AGM by rotation in accordance with the Company's articles of association. Each of the retiring Directors are offering themselves for re-election.

Biographical details for all Directors, together with information on the skills they each bring to the Board, are on pages 48-49 of the Annual Report and Accounts.

Resolutions 6-7: Appointment and remuneration of the Auditor

The Board is proposing the re-appointment of Mazars LLP as the Company's Auditor, following the recommendation of the Audit Committee. Resolution 7 authorises the Directors to determine the Auditor's remuneration, in accordance with standard practice.

Resolution 8: Directors' authority to allot shares

Under section 551 of the Act, relevant shares may be issued only with the consent of the shareholders, unless the shareholders pass a resolution generally authorising Directors to issue shares without further reference to the shareholders.

This resolution grants the Directors authority to allot shares in the capital of the Company and other relevant securities up to an aggregate nominal value of £58,174, representing approximately one third of the nominal value of the issued ordinary share capital of the Company as at 27 April 2023 (being the latest practicable date before publication of this notice).

Unless revoked, varied or extended, this authority will expire at the conclusion of the next AGM of the Company or the date falling 15 months from the passing of the resolution, whichever is the earlier.

Special Resolutions

Resolution 9: Disapplication of pre-emption rights

When shares are to be allotted for cash, section 561 of the Companies Act 2006 provides that existing shareholders have pre-emption rights and that the new shares must be offered first to such shareholders

in proportion to their existing holding of shares. However, shareholders can, by special resolution, authorise the Directors to allot shares otherwise than by a *pro rata* issue to existing shareholders.

Resolution 9 will, if passed, give the Directors power to allot for cash equity securities up to an aggregate nominal value of £17,444 representing approximately 10 per cent. of the nominal value of the issued ordinary share capital of the Company as at 27 April 2023 (being the latest practicable date before publication of this notice) as if section 561 of the Companies Act 2006 does not apply. Under section 724 of the Companies Act, the Company is permitted to buy back and hold shares in treasury and then sell them at a later date for cash, rather than cancelling them. It is a requirement of section 561 that such sale be on a pre-emptive, *pro rata*, basis to existing shareholders unless shareholders agree by special resolution to disapply such pre-emption rights. Accordingly, in addition to giving the Directors the power to allot equity securities on a non pre-emptive basis, Resolution 9 will, if passed, also give the Directors authority to sell shares held in treasury on a non pre-emptive basis.

Unless revoked, varied or extended, this authority will expire at the conclusion of the next AGM of the Company or the date falling 15 months from the passing of the resolution, whichever is the earlier.

The Directors do not have any present intention of exercising the authorities conferred by Resolutions 8 and 9, but they consider it desirable that the specified amount of authorised, but unissued share capital is available for issue so that they can more readily take advantage of possible opportunities.
